

# Creative and supply units

**Wet hands** can riffle through the choices without leaving fingerprints on all your paper.

**Store the tools of the trade** in five cups and five scissor holes.

## Pick and choose

Counters have stand-up storage for collage catalogues, a dowel for ribbon, tape and twine rolls turning visual sorting into a game.

**Angled display** helps children browse through craft materials.

## Mobility

Flip up the toe trim to move and flip it down to secure it in place.
